

# Spelling Whizz

*Spell, Create and Share with Spelling Whizz! The educational, engaging and fun way to learn your spellings.*

Practise your spellings using the 'look, say, cover, write, check' method in this exciting, easy to use app. Look at the word, hear it read aloud, cover it, practise spelling it and check if you're right!

Create your own wordlists to share with your class, colleagues and on other devices.

- Choose from 90 ready-made built-in wordlists (over 1000 words and audio) based on the new national curriculum (Y1-6)
- Look, Say, Cover, Write, Check method
- The app tracks the number of attempts for you to focus on words to practise further.
- Designed, developed and tested by teachers, children and parents
- Perfect for 5-11 year olds
- Bright, colourful, engaging graphics
- Create your own personalised wordlists at home based on the spellings your children have been given for homework
- Create wordlists for your class and share them using the codes generated in Spelling Whizz with teacher colleagues or with children for them to download at home - create once, then share!
- Record your own audio to accompany your bespoke wordlists
- One price (only £2.99) with no annoying in-app purchases or adverts to worry about
- Compatible with iPad and iPhone
